PLEASE TELL ME

After a year in captivity, a kidnapped child escapes—only to reveal horrific truths that lead her psychologist on a race against time in this thriller from New York Times bestselling author Mike Omer.

When eight-year-old Kathy Stone turns up on the side of the road a year after her abduction, the world awaits her harrowing story. But Kathy doesn't say a word. Traumatized by her ordeal, she doesn't speak at all, not even to her own parents.

Child therapist Robin Hart is the only one who's had success connecting with the girl. Robin has been using play therapy to help Kathy process her memories. But as their work continues, Kathy's playtime takes a grim turn: a doll stabs another doll, a tiny figurine is chained to a plastic toy couch. All of these horrifying moments, enacted within a Victorian doll house. Every session, another toy dies. But the most disturbing detail? Kathy seems to be playacting real unsolved murders.

Soon Robin wonders if Kathy not only holds the key to the murders of the past but if she knows something about the murders of the future. Can Robin unlock the secrets in Kathy's brain and stop a serial killer before he strikes again? Or is Robin's work with Kathy putting her in the killer's sights?

Omer weaves suspense and mystery, culminating in jaw-dropping twists.

BEHIND YOU

In this gripping thriller from New York Times bestselling author Mike Omer, a woman who fled home with a dark secret must now flee the strangers who seem to know it – and the stalker behind it all.

Seventeen-year-old Theodora Briggs left home in the dead of night, after a brutal crime shattered her life. Thirteen years later, she's made a name for herself as Gemma: beautician, wife, and mother. But the trauma still lingers...

And then one day, it's more than just a phantom pain.

Gemma is suddenly accosted by stranger after stranger, all of whom seem to know the truth about her. They confront her with her real name and ominous allusions to the tragedy that drove her out of town. When her family begins to have their own strange episodes, Gemma is rattled. There's no one left to trust but herself – except Gemma can't even remember what happened that night.

Accusations and danger lurk around every corner, and Gemma's not sure where to turn. But if she can't put together the pieces of her past, the new life she's built might disappear just as quickly – and violently – as her old one.

"Omer delivers some truly surprising twists in the final act. This gets the job done."

Dark Fae FBI Series

Thriller & Suspense | Fantasy Romance

AGENT OF ENCHANTMENT. BOOK 1

The fae live among us. And one of them is a serial killer.

I thought this would be a simple profiling case. Just another Jack-the-Ripper wannabe, prowling London's streets, searching for easy kills. I was wrong.

This killer is fae, and he's as elusive as smoke on the wind. But I'm an FBI profiler, and it's my job to track him down. It doesn't matter that one of the main suspects -a lethally alluring fae--is trying to seduce me... or kill me, I'm not sure which.

I won't be stopped, not even when panic roils through the streets of London, or when the police start to suspect me. As I close in on the killer, I follow him to a magical shadow realm that's like nothing I ever expected, where I'm hunted like prey. Fine. Bring it on. I'm an FBI Agent. And it turns out I have magical powers of my own.

"The storytelling has one of those TV shows that are based on FBI profilers feels to it with a definite supernatural twist."

STOLEN SOUL. BOOK 1

They say no man can rob a dragon. Good thing I'm not a man.

There's an underground magical vault, protected by sorcery, security cameras, guards and whatnot. Think of the most impenetrable place in the world. Now triple it. Here comes the bad news. It belongs to a dragon, and I was hired to break into it and steal his hoard. Suicidal? Insane? Maybe, but... actually, there's no but. It's suicidal and insane. Still, fortune favors the bold. Let's hope fortune has a good disposition toward the crazy as well. I might be an alchemist extraordinaire, and the best burglar on the East Coast, but this is not a solo job. I'll need a team for this one. Accompanied by a powerful sorcerer, a fortune teller, a scam artist, and a hacker, I embark on the heist of the century. If we succeed, we'll be legends. If not – crispy dragon snacks.

HUNTER'S SOUL. BOOK 2

One Alchemist. One Trapped Soul. And Heaps of Trouble.

I'm Lou Vitalis, dragon-robber, mobster-killer, end-of-the-world-preventer. Big job titles, and it's hard to fit them on a business card, so most people just know me as "that weird alchemist down the street." And I've got some problems.

There's this angry soul that occasionally takes over my body. I probably could have handled that, but Pandora's Box is slowly opening in my apartment. Also, an Inkslinger is trying to kill me. Yeah, when it rains, it pours. In my case, it hails.

Somehow, it's all connected to my past. Or rather, to my parents' past, and to the day they died. I'll have to dredge up some old memories to figure this out, and I'll have to do it fast. Because now my parents' murderer is after me.

"Amazing."

A SOUL UNCHAINED. BOOK 3

The end of the world is coming. On Tuesday.

I'm not one to worry about the future. Carpe Diem, and all that. But frankly, we're running out of future, and it's a reason for concern.

It's time to finish what my mom started all those years ago, and seal Pandora's Box for good. But the demoness Xiliaya is standing in my way, and she's after my blood.

Now I need to leap into the shadow world, with Kane the sorcerer by my side. We plan to steal a soul, escape back to our own dimension, seal the box for good, and kill the demoness. Sure, it's a crazy plan, but it's got to work. If we fail, Xiliaya's hoard of nightmares will consume the world.

SLEEPLESS. BOOK 1

Don't fall asleep. Don't dream. Don't get caught.

Amy knew she'd hate Narrowdale, a boring suburban town. How could it possibly compare to L.A., where she lived her entire life? Being a high school freshman in a new place made things even worse.

And that was before she started having the same nightmare over and over again. Before she woke up every night to a shrill whistle outside her window. Before she met a homeless man who seemed to know way too much.

Some things seem to happen only in Narrowdale, where dark secrets are hiding beneath the surface...

MOTH TO A FLAME. BOOK 2

I was almost killed by a delusional murderer five months ago.

Since then, the recurring nightmares, creepy hallucinations and overpowering fear are gone. That's good, right? I mean, no one in their right minds wants to feel like that. I am starting to wonder if I'm in my right mind anymore...

When a lady in my neighborhood died, I couldn't help but stick my nose in, to see what happened. I should just get on with things – I've got some new friends, and a cool boy named Chris has taken an interest in me. Everyone is telling me to just leave this weird murder alone.

But I can't stop myself. The more I find out about her death, the more twisted everything is.

I think there's a predator in Narrowdale. And now it's hunting me...What have I gotten myself into?
