But when another woman is murdered, Detective Mitchell Lonnie realizes that there's something much more sinister afoot, a connection between the two murders. Both victims had received a clue hinting their oncoming demise several minutes before they were attacked. There's a serial killer in Glenmore Park. Even worse, he seems to be accelerating his murder pace. Now Mitchell and his partner need to locate the killer before more innocent women die. Dark Fae FBI Series

Urban Fantasy | Mystery & Detective |
Thriller & Suspense | Fantasy Romance

AGENT OF ENCHANTMENT. BOOK 1

The fae live among us. And one of them is a serial killer.

I thought this would be a simple profiling case. Just another Jack-the-Ripper wannabe, prowling London’s streets, searching for easy kills. I was wrong.

This killer is fae, and he’s as elusive as smoke on the wind. But I’m an FBI profiler, and it’s my job to track him down. It doesn’t matter that one of the main suspects – a lethally alluring fae – is trying to seduce me... or kill me, I’m not sure which.

I won’t be stopped, not even when panic roils through the streets of London, or when the police start to suspect me. As I close in on the killer, I follow him to a magical shadow realm that’s like nothing I ever expected, where I’m hunted like prey. Fine. Bring it on. I’m an FBI Agent. And it turns out I have magical powers of my own.

“The storytelling has one of those TV shows that are based on FBI profilers feels to it with a definite supernatural twist.”

To make matters worse, my best friend Scarlett has been abducted, and her captor is playing a twisted game of "Simon Says," sending me riddles paired with impossible tasks. Roan, a seductive fae warrior, is willing to help me... but of course he has a price. One I'm not sure I'm willing to pay.

AGENT OF THE FAE. BOOK 4

The Fae war is coming, and I'm caught right in the middle. My father, the ruthless Unseelie king, is dead. It should have been our moment of triumph. Instead, we find ourselves hiding in London from our ancient enemies, the Seelie. From Roan's city mansion, we need to unite the six Unseelie courts to fight back.

Unfortunately, centuries-old feuds make this almost impossible. To make things worse, there's no good reason for anyone to listen to us. After all, I'm just a pixie bastard. Did I mention that my dread powers are gone? If that weren't enough, I need to decide if I want to live forever in the world of the humans, or the world of the fae with Roan. Sure—he's gorgeous and loyal, but do I want to spend forever in this chaos?

As the Seelie encroach on our territory, it's time to see if Roan and I—terror and love – can really change the world together.

STOLEN SOUL. BOOK 1

They say no man can rob a dragon. Good thing I'm not a man.

There's an underground magical vault, protected by sorcery, security cameras, guards and whatnot. Think of the most impenetrable place in the world. Now triple it. Here comes the bad news. It belongs to a dragon, and I was hired to break into it and steal his hoard. Suicidal? Insane? Maybe, but... actually, there's no but. It's suicidal and insane. Still, fortune favors the bold. Let's hope fortune has a good disposition toward the crazy as well. I might be an alchemist extraordinaire, and the best burglar on the East Coast, but this is not a solo job. I'll need a team for this one. Accompanied by a powerful sorcerer, a fortune teller, a scam artist, and a hacker, I embark on the heist of the century. If we succeed, we'll be legends. If not – crispy dragon snacks.

HUNTER'S SOUL. BOOK 2

One Alchemist. One Trapped Soul. And Heaps of Trouble.

I'm Lou Vitalis, dragon-robber, mobster-killer, end-of-the-world-preventer. Big job titles, and it's hard to fit them on a business card, so most people just know me as "that weird alchemist down the street." And I've got some problems.

There's this angry soul that occasionally takes over my body. I probably could have handled that, but Pandora's Box is slowly opening in my apartment. Also, an Inkslinger is trying to kill me. Yeah, when it rains, it pours. In my case, it hails.

Somehow, it's all connected to my past. Or rather, to my parents' past, and to the day they died. I'll have to dredge up some old memories to figure this out, and I'll have to do it fast. Because now my parents' murderer is after me.

"Amazing."

The end of the world is coming. On Tuesday.

I'm not one to worry about the future. Carpe Diem, and all that. But frankly, we're running out of future, and it's a reason for concern.

It's time to finish what my mom started all those years ago, and seal Pandora's Box for good. But the demoness Xiliaya is standing in my way, and she's after my blood.

Now I need to leap into the shadow world, with Kane the sorcerer by my side. We plan to steal a soul, escape back to our own dimension, seal the box for good, and kill the demoness. Sure, it's a crazy plan, but it's got to work. If we fail, Xiliaya's hoard of nightmares will consume the world.

SLEEPLESS. BOOK 1

Don't fall asleep. Don't dream. Don't get caught.

Amy knew she'd hate Narrowdale, a boring suburban town. How could it possibly compare to L.A., where she lived her entire life? Being a high school freshman in a new place made things even worse.

And that was before she started having the same nightmare over and over again. Before she woke up every night to a shrill whistle outside her window. Before she met a homeless man who seemed to know way too much.

Some things seem to happen only in Narrowdale, where dark secrets are hiding beneath the surface...

MOTH TO A FLAME. BOOK 2

I was almost killed by a delusional murderer five months ago.

Since then, the recurring nightmares, creepy hallucinations and overpowering fear are gone. That's good, right? I mean, no one in their right minds wants to feel like that. I am starting to wonder if I'm in my right mind anymore...

When a lady in my neighborhood died, I couldn't help but stick my nose in, to see what happened. I should just get on with things – I've got some new friends, and a cool boy named Chris has taken an interest in me. Everyone is telling me to just leave this weird murder alone.

But I can't stop myself. The more I find out about her death, the more twisted everything is.

I think there's a predator in Narrowdale. And now it's hunting me... What have I gotten myself into?
